BPF Complaints Procedures

The purpose of these Complaint Procedures is to provide a means of examining a complaint made against any member of BPF. It is intended that the procedure should be consistent, fair, impartial and confidential. It is also intended that the complaint be heard and responded to within 6 months of the receipt of the formal complaint. The Complaints Procedures should also be read alongside BPF's own Terms and Conditions for participating at any BPF event and its Statement of Ethics and Code of Practice, both available from the Administrator.

1. Any person wishing to make a complaint (a "complainant") about the conduct, behaviour or decision of a participant at a BPF or in the administration of the organisation must do so within a period of 3 years from the date of the incident.
2. Persons taking part in the Complaints Procedure should act in a manner that does not breach confidentiality.
3. It is the responsibility of all Members and Complainants to ensure that they fully understand BPF's Complaint Procedure and the associated BPF's Terms and Conditions.
4. Where a complainant incurs costs associated with travel, subsistence, overnight accommodation and other similar costs, these costs will be required to be met by the complainant, EXCEPT in the case where the BPF upholds the complainant's case. In this case all reasonable expenses can be submitted by the complainant retrospectively, and will be paid by BPF to the complainant within 30 days of submission.
5. The complaint shall be dealt with in line with the following procedures.

A. INFORMAL PROCEDURE:

The informal procedure consists of raising the issue or complaint directly with a tutor, group facilitator, supervisor or trustee. A written record of all discussions will be made and maintained. If deemed necessary and subsequent to the initial discussion, a meeting of the parties concerned chaired by an independent facilitator/mediator may be arranged with the agreement of the complainant to discuss and explore the complaint and each party may bring a support person with them. If these steps do not resolve the issue the formal stage should be entered into. However, where the parties reach a resolution BPF reserves the right to pursue the complaint into the formal procedure.

A time limit of 30 days will be set by BPF for receipt of the member's response.
- 1.4 Upon receipt of the member's response, the trustee will forward the member's response to the complainant and ask if the complainant wishes to make any reply to the member's response or if the complainant is satisfied with the member's response to the complaint and wishes to withdraw it.
